CAN WE HAVE PEACE
IN THE HOLY LAND?

IS THERE A PLAN
THAT WILL WORK?

What if that plan included dividing Jerusalem and was embraced by our new president?

What if that plan is seen as surrender and weakness, and emboldens radical Islam?

If Jimmy Carter and his Liberal Left friends succeed by sacrificing America's strongest ally in the Middle East, Israel, to appease Arab rage, it will, in fact, make Jerusalem the center of gravity of the war on terror while unifying radical Islam. The results will be catastrophic for the United States, for Israel, and for the world, and will leave no doubt that the Liberal Left will do everything in its power to achieve its objectives.

Former French President Valery Giscard d'Estaing said of Jimmy Carter: "He [Carter] was a bastard of conscience, a moralist, who treats with total lightness the fact of abandoning a man [the Shah] that we had supported together."

Former Empress of Iran Farah Pahlavi wrote: "During the whole of his campaign, Jimmy Carter had proclaimed the theme of human rights, the freedom of the people, which in reality has to be treated with caution, taking the economic and cultural context of each country into account. The Iranian opposition saw an ally in Carter for future struggles."

Jimmy Carter: The Liberal Left and World Chaos connects the dots and helps you understand how we have come to this crisis, and more importantly, how it can be resolved. This book contains information that has never been revealed by diplomatic sources worldwide. It divulges the agenda of *Jimmy Carter and the Liberal Left*: they plan to sell America and the Bible Land to the highest bidder.

Why does the life and presidency of Jimmy Carter matter in the twenty-first century? Philosopher George

Santayana said, "Those who cannot learn from history are doomed to repeat it." The United States paid an exceedingly high price for the years Carter practiced being presidential. It is still not too late to learn from the Carter White House; perhaps we can avoid the plethora of mistakes made by the former president. Should we decide to play ostrich, to forget the past, our reward could very well be the whirlwind of destruction.

HE RAN AGAINST AN UNPOPULAR WAR AND PRESIDENT IN THE NAME OF CHANGE, HUMAN RIGHTS, AND HOPE. America's strongest Muslim ally whispered to his closest confidant, "Who knows what sort of calamity he may unleash on the world?"

He provided political and financial sponsorship . . . checks of \$150 million to Neauphle-le-Chateau outside Paris . . . while Khomeini plotted to kill the Shah of Iran and overthrow his nation. The French, British, and Germans agreed to support his plan.

CAN WE HAVE PEACE IN THE HOLY LAND? IS THERE A PLAN THAT WILL WORK?

An Air France jet loaded with terrorists and journalists delivered Carter's holy man to Tehran.

On April Fools Day 1980 Ayatollah Khomeini, the godfather of world terror, proclaimed "the first day of the government of God," thus giving birth to what is now known as radical Islam.

The fuse had been lit; the Russians invaded Afghanistan, and Iraq went to war with Iran, resulting in the deaths of over 2.3 million innocent Muslims. Bin Laden used the number of deaths in Iran, Iraq, and Afghanistan to justify his insane attack on 9/11.

Carter poured \$500 million into the Muslim Brotherhood, calling them freedom fighters. We now call them the Taliban and al Qaeda.

On Inauguration Day 1980 shortly after 4:00 AM he wire-transferred \$7.9 billion in an attempt to buy back the hostages after 444 days of humiliation.

On Inauguration Day 2009 he released his Plan for Peace in the Holy Land to persuade President Obama to weaken Israel, America's strongest ally in the Middle East; support terror regimes that have murdered scores of Americans and Israelis; and heed the call to divide Jerusalem, giving East Jerusalem to the Palestinian Authority as its Islamic capital.

This is an appeasement plan that will not solve the problems in the Holy Land; it will instead unify and embolden radical Islam once again.
